Why LPG Sports Academy?

LPG Sports Academy has been operating for 11 years in middle Tennessee, and 20 years in total, with a simple mission – to enrich childrens' lives through sports. We mix fun and fundamentals to give kids a great start in sports and our PLUS and SCRIMMAGE classes keep them challenged and growing as they gain experience. Many of our staff have coached in local youth baseball, soccer, and basketball leagues at both recreational and competitive / travel levels. That experience has been used to build the LPG curriculum to prepare kids with the skills and confidence needed to thrive in team sports.

LPG Sports Academy is unique - we offer top quality programs in multiple sports. We have developed the nationally licensed Lil Sluggers baseball, KickStart Soccer and HoopStart Basketball programs which have introduced hundreds of thousands of children to sports across the US and Canada in a fun and positive manner. Come Learn, Play and Grow with LPG!
